## NEW PARIS AND LONDON FASHIONS COMING HERE

M. Bruch, manager of Whitney & Marsh, will arrive on the Ventura Monday from an extended trip to New York, Paris and London. This means some pleasant surprises in the way of ready-to-wear frocks and suits, and an opportunity to ascertain just what the styles really are, an occasion which Honolulu women will welcome gladly at this time of the year. From Paris he is bringing a splendid assortment of trimmings, laces, beaded fringes and various other materials.

Accessories will bear both the stamp of Paris and London, for though the gloomy English city does not hold first place in the fashion world, their creations are sought after for their individuality. Whitney & Marsh will hold their fall opening Tuesday and the results of four months' travel and study of modes will be on display.

It takes almost as much nerve to succeed as it does to explain why you didn't.
